11. The Board will consider and determine whether or not formal board approval is necessary for the recent contract revision to make effective the Board's recent vote to suspend developer impact fees, and whether the contract revisions are purely administrative matters correctly carried out by staff to implement the Board's action to suspend developer impact fees and if Board approval is deemed necessary, the Board will decide whether or not to approve, disapprove or take no action regarding the revised developer contract which made effective the suspension of developer impact fees.
12. **Executive Session** - The board will conduct an executive session with its legal counsel pursuant to Title 25, Oklahoma Statutes, Section 307 (B)(4) concerning pending investigations by legal counsel relative to claims against the District. Legal counsel has advised the Board that disclosure to third parties of the report to be made by legal counsel to the Board during executive session would seriously impair the ability of the Board and its legal counsel to process claims and/or conduct the continuing investigation into the claims and potential litigation.
The claims to be considered are ones presented by legal counsel for Brad Snider and Steve Bruton, owners of HLD Properties, LLC in a letter dated June 5, 2025. A copy of the letter is available upon request and copies will be available at the Board Meeting.
